Tongue Twisters and Riddles

Directions: Try out the tongue twisters below to see if you can say them smoothly or if your tongue gets twisted! Then solve the riddles below. Answers are hidden upside-down on the bottom of the page.

Tongue Twisters

1. Five fast fire trucks fled to free four friends from fire.
2. Speedy Sparky slid swiftly down the slippery pole.
3. Pip hit the pinata with a powerful pop.
4. Spanky and Sparky sparked up some scrumptious snacks.

Riddles

1. What goes out in the rain?
2. I'm flashy and loud. What am I?
3. What kind of dog always gets spotted?
4. I am round with a blinking eye. What am I?

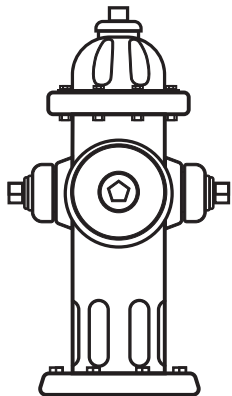

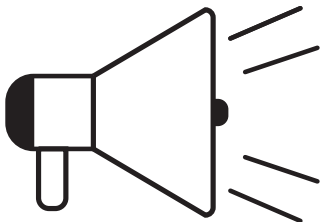

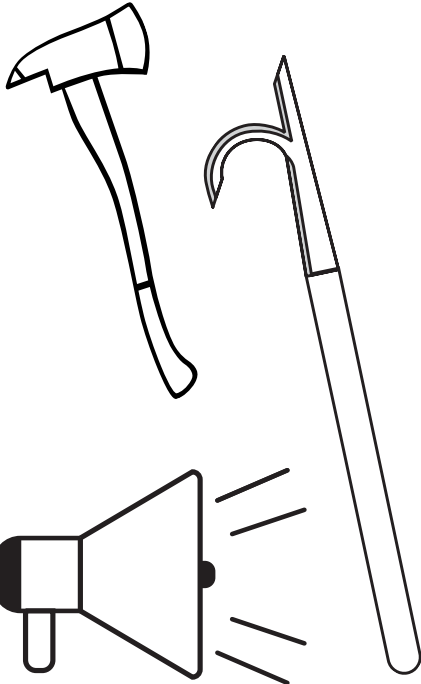

1. A fire 2. A siren 3. A Dalmatian 4. A smoke alarm

THE NAME AND IMAGE OF SPARKY ARE TRADEMARKS OF THE NFPA.

Your friend the firefighter

Draw a line from each word in the word bank to the correct object that a firefighter uses.

WORD BANK

Axe

Boots

First-Aid Kit

Fire Engine

Helmet

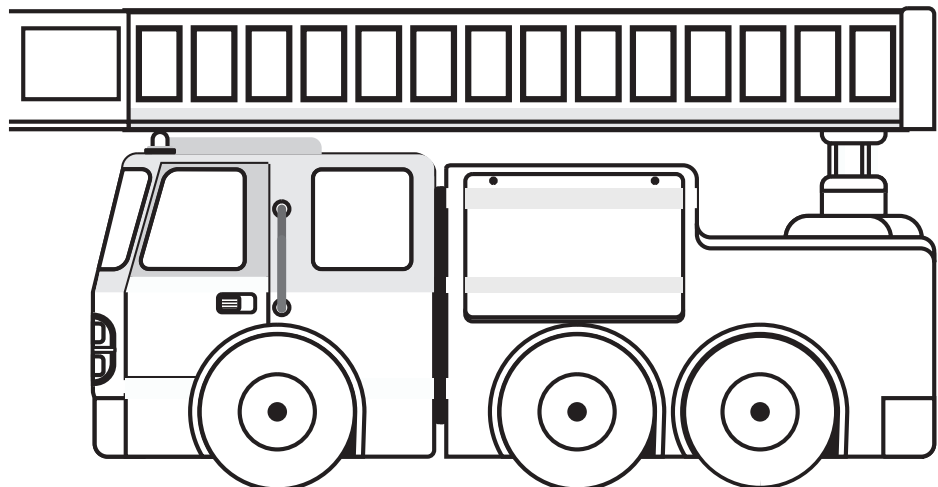

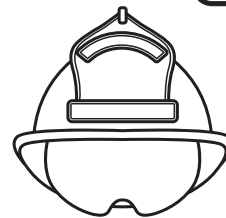

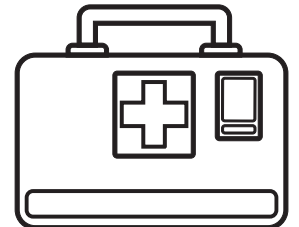

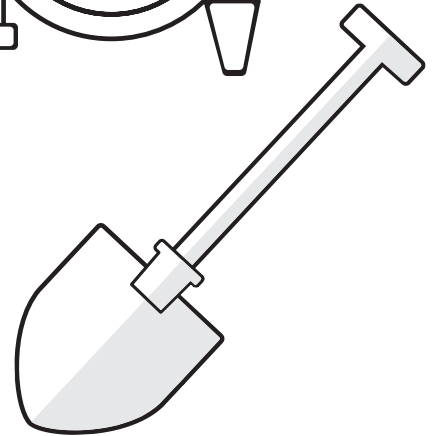

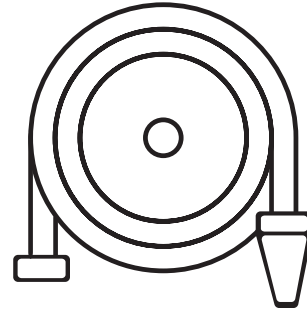

Hose

Hydrant

Megaphone

Pike Pole

Shovel

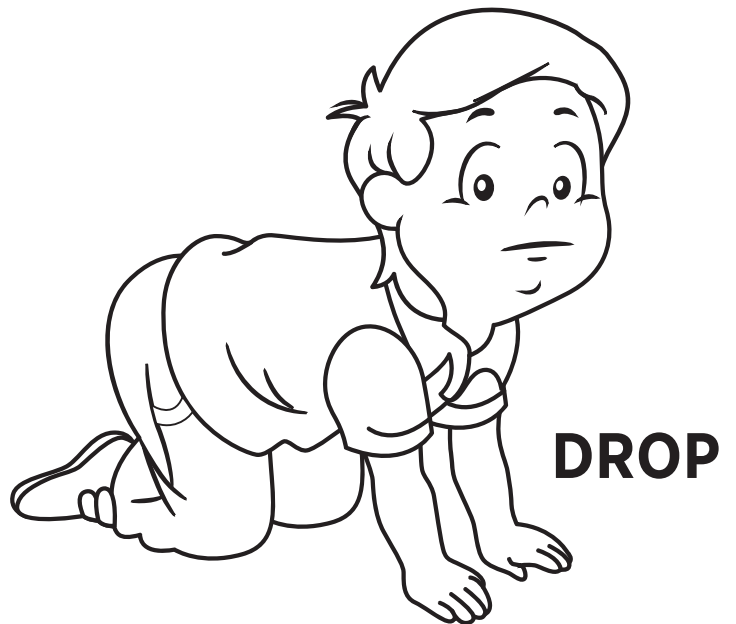

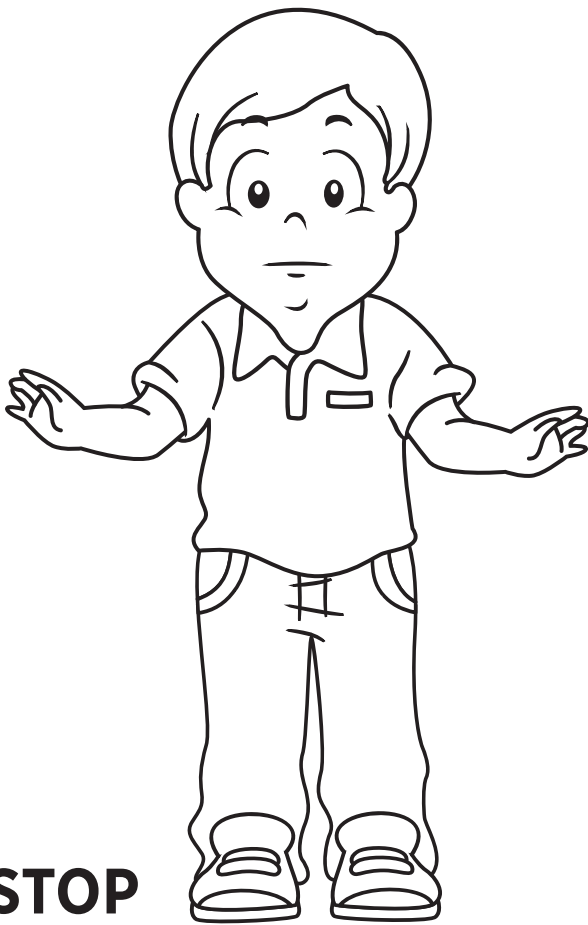

Stop, drop and roll

Unscramble each word and write it on the line underneath. Then put them in order with 1, 2 or 3 in the correct circle.

PROD

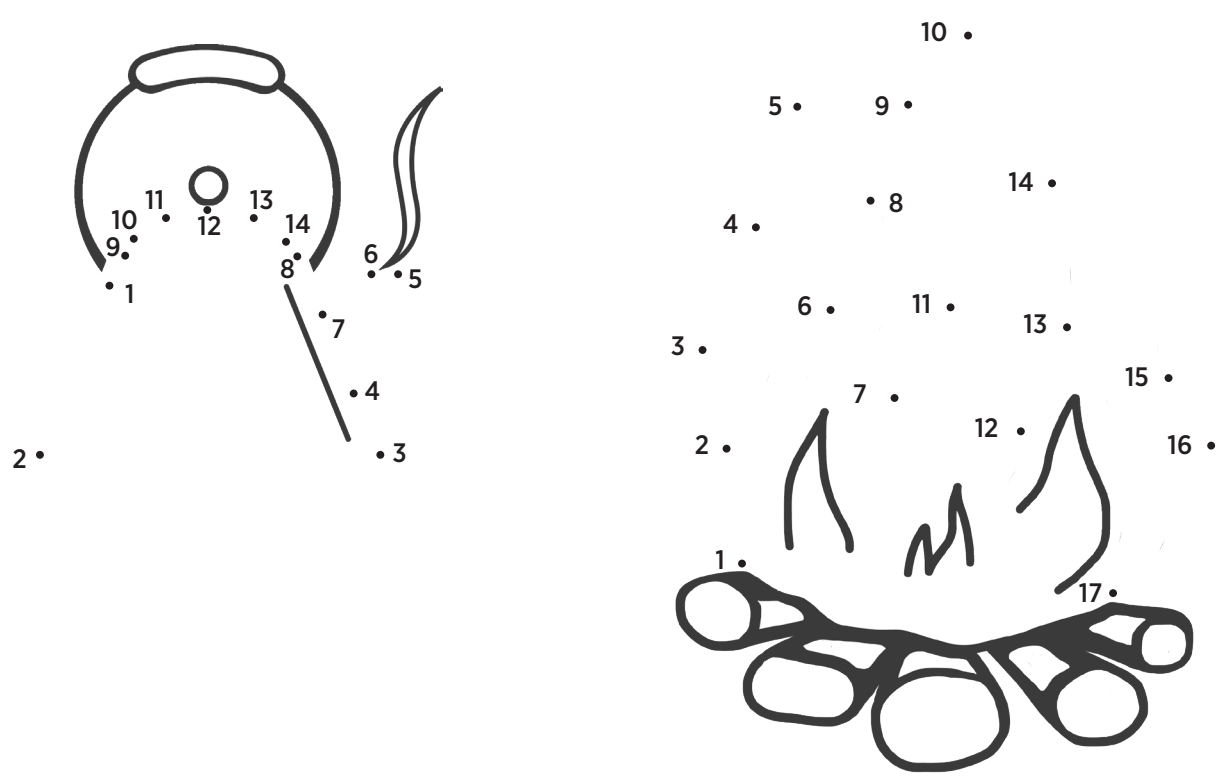

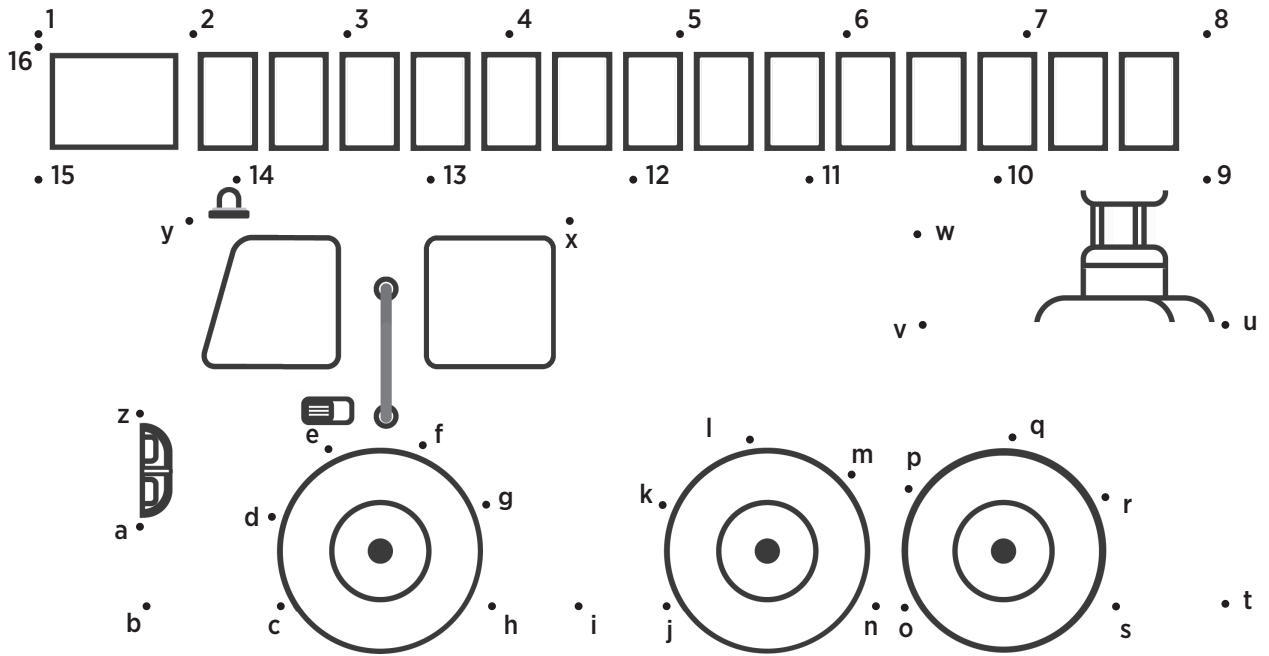

LOLR

POTS

Connect the dots

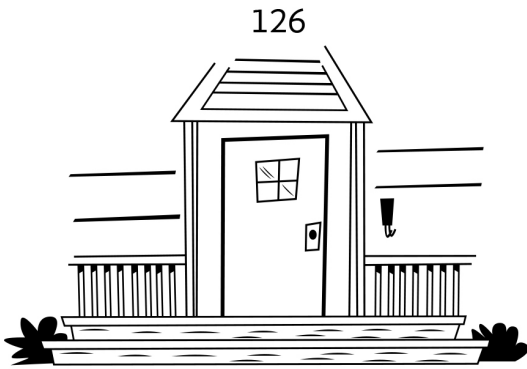

Complete the images below to discover three objects related to fire. Color the one that adults can allow children to interact with safely.

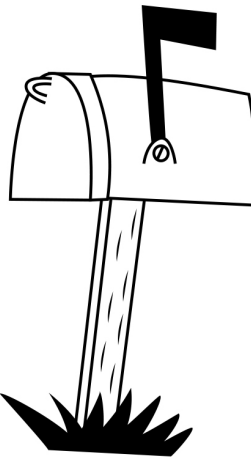

Choose Your Outside Meeting Place

Name: _____

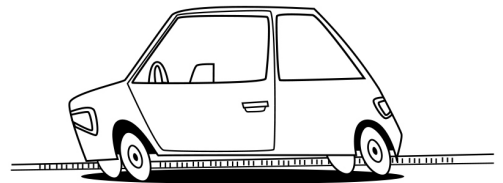

Directions: Your family should always choose an Outside Meeting Place where you will all meet when the smoke alarm sounds. A good Outside Meeting Place is far enough from your house to be safe, and it stays in one place! Circle the good choices for an Outside Meeting Place below, and put an X over the bad choices.

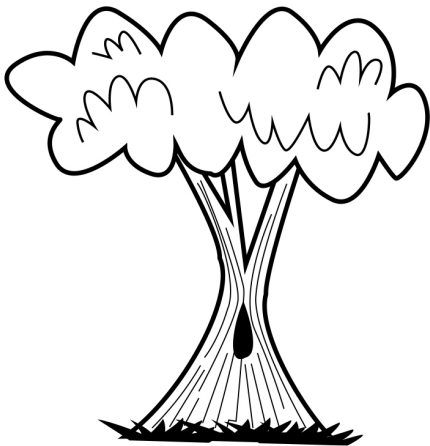

Neighbor's porch

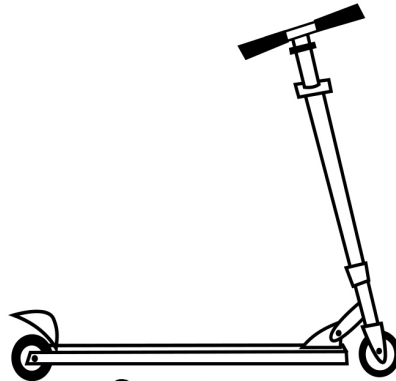

Mailbox

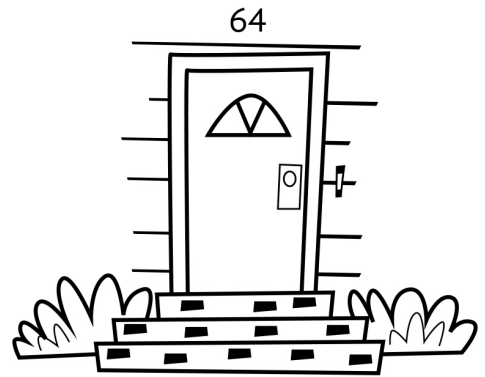

Parked car

Tree

Scooter

Your front steps

Fire Safety

I, _____, promise to
(PRINT YOUR NAME)
follow all fire safety rules. I will help my parents
test the smoke alarms every month and remind
them to change the batteries on my birthday. I
will also plan and practice home fire safety drills
with my family.

Dear parent,

We hope this coloring/activity book encourages you and your family to discuss fire safety and burn prevention. The goal of the Fort Wayne Fire Department and the hospitals of Lutheran Health Network is to eliminate all fire and burn injuries and deaths. But to truly accomplish this, every family must continuously think about and practice burn prevention and fire safety. We encourage your family to visit the websites below to play fun safety games, color pictures and learn more about fire and burn prevention.

For additional information about local safety programs, call the Burn Center at St. Joseph Hospital at 425-3567 or the Fort Wayne Fire Department at 427-1483.

Remember the following basic fire-safety concepts:

- Test smoke alarms each month and change the batteries once a year.
- Install a smoke alarm in every room of the house.
- Set the water heater temperature to 120°F or below.
- Leave 3 feet of open space around space heaters and never leave them unattended.
- Keep matches and lighters out of reach of children, preferably in a locked cabinet.
- Always remain in the kitchen when cooking.
- Draw a home fire-escape plan and practice it with the whole family.
- If a fire occurs, “stay low and go” and “get out and stay out.”
- Use caution when handling hot liquids.
- Run cool water on a minor burn for 10-20 minutes. Do not use ice, lotions, creams or butter on a burn.
- Install a carbon monoxide detector if your house has gas appliances or a fireplace.
- Practice what you preach. Children learn by example.
